*"While looking for my new home, Dena proactively found a house that was exactly what I was looking for. I viewed the house the first day it was on the market, & we submitted a contract that night. I now have my dream home thanks to Dena putting me at the front of the line to view this house." GE*

*"This was a long process and I appreciate that you patiently put up with me the whole time. We couldn't be happier with the purchase." CO*

*"We are completely satisfied in the professional manner in which you conducted the sale of our homes. you went the extra mile on keeping the city off our back with the yard, getting someone in there to get the grass cut and to haul off some trash. *"You've been awesome through all of this, Dena! Thanks for all you've done!" CB*
